# HOPE STREET MISSIONS UGANDA

On Friday we received this urgent call for prayer from one of our partner schools in Uganda:

“Urgent prayer needed for God's provision of constant water supply at Ebenezer Christian High school Bulenga . The unknown people came at night and stole our water pump for our hand dug well at school, they also tampered with the walls which caused the entire wall to collapse because it was constructed using mud bricks yet the place has soft soils this has caused scarcity of water at school now students have to Miss some lessons to go outside in the community to fetch water for use by the time they come back they feel very tired and can't go in lessons immediately they do this in morning and evening, there also difficulties to get water to use in toilets, kitchen and even for general cleaning.

We got someone to carry out the survey to find out why the well collapsed... Her recommendation is that the school should drill a bore hole and case it with 5 inc ,then install in the asst AR pump or AC pump this will help to solve the problem.

From Head master Richard Lubega ”

*These are short video clips and I simply cannot make them play in this letter. However, Pastor Todd is sending them out through Wildwood and he can.*

Friends, this news came in as I was preparing our Summer Newsletter (which is filled with exciting news!). Ut this can't wait, so we are sending this emergency request: Please help and also remember that your gifts must be in addition to your pledges, which have already been budgeted through this year. This well is an investment in eternity, therefore we have agreed to build it in faith, trusting the money will quickly come in to meet the necessary \$6,000 to dig it properly, securely and install a new pump. We know that in this effort all will see Jesus and the glory will be given to God alone.

Any amount helps and as always will be processed through Wildwood Church with 100% of gifts going directly to the work in Uganda!

Give online: [www.wildwoodtlh.com/give](http://www.wildwoodtlh.com/give).

SCROLL DOWN to [HopeStreet Uganda](#) and enter your amount.

*\*Checks must be clearly marked for Hope Street*
